

8 Day 7 Night Cruise to Bermuda

August 19th to August 26th, 2012

Prices as low as \$1,337

Since last year's bridge cruise, the **Summit has been refurbished** (although it hardly seemed to need it!) with stylish Solstice Class enhancements: Spa-inspired 'AquaClass' accommodations; hip 'Celebrity *iLounge*' and quirky 'Qsine' specialty restaurant presenting a menu and wine list on an iPad. Qsine has been described in press reviews as *"the latest and most innovative restaurant," "appealingly quirky,"* and simply, *"defying description."* Qsine features playful & delectable menu options. *Blu Restaurant* is Mediterranean-themed specialty restaurant and is the exclusive dining venue for all AquaClass guests, serving healthy fare in a sophisticated and soothing atmosphere. Other "Solisticing" features of Celebrity Summit include: even more sumptuous suites (which include 24/7 butler service) and staterooms courtesy of all new furniture, flat-screen TVs, upholstery, bedding and carpeting. New color schemes, carpeting and upholstery reflective of the Solstice Class' stylish, modern design in every public venue

Play Bridge & party with us on the Celebrity Summit. This remarkable cruise ship is a deluxe five-star ship loaded with amenities and embodies Celebrity's tradition of elegance with features such as exterior glass elevators, the nostalgic & delicious SS Normandie Restaurant (saluting the era of the great ocean liners), the pampering AquaSpa a relaxing conservatory (set in a garden), Wi-Fi, and an impressive music library. You can enjoy shows in the theatre, meeting friends in Michael's Club, gambling in the casino, or taking dip in the Waterfall pool. There's a collection of more than 500 museum-quality artworks and a classy, contemporary decor that makes people feel that, while the ocean may be outside the ship's windows and glass walls, it's definitely European-chic inside.
